

Before enrolling your child at Bambi Day Care please familiarise yourself with our rules, regulations, policy as well as fees. Then simply download, print and complete the application form in full. You may then return the completed form to us by visiting the Day Care Centre where owners Brian and Marlene as well as our principal Sharon will welcome you with open arms. You are also welcome to view our facilities. After submitting the application form you will be informed within 2 days whether your application has been successful. You need not make an appointment as we have an open door policy.

Normally curriculum classes are on a waiting list but occasionally we do have space available. Babies to toddlers vary but are not normally on a waiting list. Space availability is made known to parents when submitting their applications.

Should your child be accepted please bring the following:
